

Submitting charter of demands to IBA

The Confederation (AIBOC) took initiative and convened a meeting of the Officers' organization at Chennai for a threadbare discussion on the subject. The officers' organizations were unanimous that a comprehensive Common Charter should be submitted after incorporating the suggestions obtained in the meeting. Accordingly, the comprehensive common charter of demands has since been completed and ready for submission.

The Confederation is in readiness to submit the Charter of Demands on behalf of the entire officers' fraternity along with the other officers' organization together as agreed in the meeting of the Officers' organizations. AIBOC also sent a request to the Indian Banks' Association for an appointment to enable the organisations to submit the same.

In the meanwhile, due to the festival holidays in particular pooja holidays in different parts of the country, AIBOC may have to wait till the end of the month to lead the delegation and submit the Charter of Demands to the Indian Banks Association. The details will be shared with the members all over the country when the task of submitting the Charter of Demands to IBA is completed.
